The creation of beauty is Art."*

RALPH WALDO EMERSON

*Saks Galleries is pleased to present Andrea T. Kemp, E. Melinda Morrison, and Teresa Vito. This is an exhibition of new ideas, unbounded energy, experimentation and creativity all culminating in masterfully executed works of art. We believe the paintings will evoke emotion, thought, dialogue and sometimes just a simple smile. As a prelude to Spring, during the month of April we invite you to view "Fresh Paint".*
